Confirmation of the Issuance of a SOC 2 Type I Attestation

To:

Noxtua AG
Große Hamburger Str. 17
10115 Berlin

The attestation covers the examination of Noxtua AG's ("Noxtua") accompanying description of its information technology general controls system, titled "Noxtua AG's Description of Cloud Service *Noxtua*" as of 19 February 2026 (the "description") based on the criteria for a description of a service organization's system in DC section 200, 2018 Description Criteria for a Description of a Service Organization's System in a SOC 2® Report, in AICPA Description Criteria (the "description criteria") and the suitability of the design and implementation of controls, stated in the description as of 19 February 2026 to provide reasonable assurance that Noxtua's service commitments and system requirements were achieved based on the trust services criteria relevant to Security, Availability, Processing Integrity, Confidentiality and Privacy (applicable trust services criteria) set forth in TSP section 100, 2017 Trust Services Principles and Criteria for Security, Availability, Processing Integrity, Confidentiality, and Privacy, in AICPA, Trust Services Criteria.

In our opinion, in all material respects:

- the description presents the *Noxtua* Cloud Service and controls that were designed and implemented as of 19 February 2026 in accordance with the description criteria.
- the controls stated in the description were suitably designed as of 19 February 2026 to provide reasonable assurance that Noxtua's service commitments and system requirements can be achieved based on the applicable trust services criteria, if the subservice organization and user entities applied the complementary controls assumed in the design of Noxtua's controls as of 19 February 2026.
